

Experiment 6

CSCI-230 Web Scripting

Fall 2024

Part I

Inside the **experiments** directory in your repository create a *subdirectory* named **e6**.

Inside the **e6** directory create a file named **e6.html** and a file named **e6.js**.

In **csci230/index.html** add a link to **csci230/experiments/e6/e6.html**.

Part II

Read the second half of chapter 8 (starting on page 299) on the topic of classes. While reading, add code to your **e6.js** file to illustrate the concepts that are being taught.

In order to truly benefit from this assignment, you will likely spend more than 3 hours reading and coding. Please plan accordingly.

This assignment is due at the start of class on Thursday.
